

Ministry of Education of the Republic of Tajikistan (MoE RT)

The Ministry of Education of the Republic of Tajikistan supports TuCAHEA and provides the conditions to implement the project and achieve the intended results and outputs. MoE RT has been included in the several TEMPUS projects and has gained necessary experience in this area and used the results in its own activities. The Ministry of Education can provide conditions for conducting conferences and workshops.

The Ministry of Education of Tajikistan participates in the Core Group and in the various activities, ensuring a link between the normative framework and the academic aspects.
